

Following the UK's departure from the EU, all EU, European Economic Area (EEA) and Swiss citizens who want to live in the UK need to apply for a new immigration status. The EU Settlement Scheme (EUSS) has been set up to grant this status. Everyone, including children, must make an individual application. Local authorities need to identify all children and young people who are in their care, on the edge of care or have left care, who need to make an application under the EU Settlement Scheme. This includes EU, European Economic Area (EEA) and Swiss national children, or children who may be able to apply for the Settlement Scheme through a family member.
