

WOKINGHAM BOROUGH SCHOOLS ALLOCATION OF PLACES FOR SEPTEMBER 2015

**WOKINGHAM
BOROUGH COUNCIL**

Statement of the allocation for appeal purposes

The following information is based on the initial allocation at 2 March 2015 for applications received by the deadline. Please see the last page for an explanation of the oversubscription criteria which applies to The Bulmershe, The Emmbrook and St Crispin's Schools and Waingels College. Pages 23 to 25 of the Parent's Guide to Secondary School Admissions gives more detailed information and the guide also provides information relating to individual school policies for The Forest, The Holt, Maiden Erlegh, Oakbank and The Piggott Schools. This information sheet provides you with a statement on the allocation for individual schools should you wish to exercise your right to appeal and details how places were allocated (allocation information for undersubscribed schools is included for completeness).

School	Admission Number	Information on how places were allocated
The Bulmershe	240	All applicants who expressed the school as a preference and where no higher ranked preference could be offered were allocated places. 22 children, whose applications for other schools were unsuccessful, were allocated to the school as the designated area school or most accessible school with places, including 4 children living outside the Wokingham borough.
The Emmbrook	210	All applicants who expressed the school as a preference and where no higher ranked preference could be offered were allocated places. The last child allocated in criterion F lived 5.161 miles from the school.
The Forest	200	The Academy Trust Board (also known as the Governing Body) at The Forest School commissioned Wokingham Borough Council to rank applications on its behalf against the school's oversubscription criteria and it met to agree the ranking prior to allocation. After co-ordination, the school was fully allocated with children who qualified under oversubscription criteria A to F plus 4 children based on radial distance in criterion G. The last child allocated under criterion G lived 1.660 miles from the school according to the computerised mapping system used by the council's School Admissions Team. There were insufficient places for the remaining 20 children in criterion G. These children have been provisionally placed on a waiting list pending confirmation from parents that they wish to remain on the waiting list for the school.
The Holt	210	The Academy Trust Board (also known as the Governing Body) at The Holt School commissioned Wokingham Borough Council to rank applications on its behalf against the school's oversubscription criteria and it met to agree the ranking prior to allocation. After co-ordination, the school was fully allocated with children who qualified under oversubscription criteria A to D plus 160 children based on combined radial distance to both The Holt and The Forest Schools in criterion E. There were no allocations made under criterion C. The last child allocated under criterion E lived a combined radial distance of 6.7170 miles from The Holt and Forest Schools according to the computerised mapping system used by the council's School Admissions Team. There were insufficient places for the remaining 89 children (29 children in criterion E; 3 in criterion F; 47 in criterion G and 10 in criterion H). These children have been provisionally placed on the waiting list pending confirmation from parents that they wish to remain on the waiting list for the school.
Maiden Erlegh	278	The Maiden Erlegh School Academy Trust commissioned Wokingham Borough Council to rank applications on its behalf against the school's oversubscription criteria and it met to agree the ranking prior to allocation. The school was fully allocated with children who qualified under oversubscription criteria A to B plus 150 children based on radial distance in criterion C. The last child allocated under criterion C lived 0.927 miles from the school according to the computerised mapping system used by the council's School Admissions Team. There were insufficient places for the remaining 145 children (61 children in criterion C; 5 in criterion D and 79 in criterion E). These children have been provisionally placed on the waiting list pending confirmation from parents that they wish to remain on the waiting list for the school.

School	Admission Number	Information on how places were allocated
Oakbank	112	The Academy Trust Board (also known as the Governing Body) ranked the applications in accordance with the school's policy. After co-ordination, all applicants who expressed the school as a preference and where no higher ranked preference could be offered were allocated places. 16 children, whose applications for other schools were unsuccessful, were allocated to the school as the designated area school or most accessible school with places.
The Piggott	203	The Academy Trust Board (also known as the Governing Body) ranked the applications in accordance with the school's oversubscription criteria and after coordination the school was fully allocated with children who qualified under oversubscription criteria A and E, plus 5 children in criterion F. The last child allocated under criterion F lived 4.144 miles from the school based on radial distance according to the computerised mapping system used by the council's School Admissions Team. There were insufficient places for the remaining 43 children (5 in criterion F and 38 in criterion G). These children have been provisionally placed on the waiting list pending confirmation from parents that they wish to remain on the waiting list for the school.
St Crispin's	189	The school was fully allocated with children who qualified under oversubscription criteria A to C plus 101 in criterion D. The last child allocated under Criterion D lived 1.164 miles from the school according to the computerised mapping system used by the council's School Admissions Team. There were insufficient places for the remaining 151 children (72 in criterion D; 16 in criterion E and 63 in criterion F). These children have been provisionally placed on the waiting list pending confirmation from parents that they wish to remain on the waiting list for the school.
Waingels College	240	The school was fully allocated with children who qualified under oversubscription criteria A to E plus 29 children based on radial distance in criterion F. The last pupil allocated under criterion F lives 3.702 miles from the school according to the computerised mapping system used by the council's School Admissions Team. There were insufficient places for the remaining 10 children in criterion F. These children have been provisionally placed on a waiting list pending confirmation from parents that they wish to remain on the waiting list for the school.

KEY TO HOW PLACES WERE ALLOCATED FOR WOKINGHAM BOROUGH COUNCIL COMMUNITY SCHOOLS
Applicable to The Bulmershe, The Emmbrook and St Crispin's Schools and Waingels College

Full details are given on pages 23-25 of the Parent's Guide to Secondary School Admissions in the Wokingham Borough

Children with statements of special educational needs that named a school in the statement were admitted to the school that is named.

Oversubscription Criteria:

- A Looked after children and children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order (previous looked after children) – seen note 1 in the Parent's Guide
- B Children who have exceptional medical or social needs as the grounds for their admission to a particular school – see note 2 in the Parent's Guide
- C Children whose permanent home address is in the school's designated area and who has a sibling at the school, at the time of application; who is expected to be attending the school when the child will enter the school – see notes 3 and 4 of the Parent's Guide
- D Children whose permanent home address is in the school's designated area
- E Children whose permanent home address is outside the school's designated area and who has a sibling at the school, at the time of application; who is expected to be attending the school when the child will enter the school – see notes 3 and 4 of the Parent's Guide
- F Any other children

If the school does not have sufficient places for all children in any category A to F, places will then be allocated on the basis of the radial distance between the home and the school (straight line measurement). All measurements are undertaken consistently using the computerised mapping system used by the council's School Admissions Team and the distance will be measured as a straight line between the Land and Property Gazetteer address points for the respective home address and school. Living in the designated area does not guarantee a school place as there may be more applications from parents living in the designated area than places available.

The guide will also provide additional notes to the above oversubscription criteria.

The policies, including oversubscription criteria, for own admission authority schools – The Forest, The Holt, Maiden Erlegh, Oakbank and The Piggott are available in the Parent's Guide on pages 77 to 121.
