If you are considering moving to Wokingham, there is no guarantee of an immediate school place, and you may be offered a school that is not your preference.

You should also bear in mind that it is no always possible to offer siblings the same school during an academic year.

If you have two children or more, they may sometimes be offered different schools if there are no available spaces in one of the year groups in the school that you want.

Due to high demand for school places in Wokingham, you should only make an application if you will be able to take up the offer of a place immediately.

If a school that you requested is not able to offer a place and your child/children are out of school, we will try and offer you a place at the nearest school to your home with a vacancy at the time.

This may not be the school nearest your home. Your child will automatically be added to the waiting list for all preferred schools that have been unable to offer a place.
