Please note that all the information we hold for holiday clubs is on [our public facing directory](#) .

Note on terminology

*By a **holiday club**, we mean any Ofsted registered provision for school-aged children which is open in the school holidays where parents can leave their child, including play schemes.*

*'**Maintained**' means run by the local authority, a state school or local authority run nursery. '**PVI**' means provision run by the private sector, voluntary providers, or independent schools.*

In each section of this survey please report on your most recent data.

Section A – Cost of holiday childcare

2. Please give the **typical (average/mean) price** per day and per week of a **full-time place** in a holiday club or childminder providing holiday care in your local area.

	Typical price per day	Typical price per week

PVI sector holiday clubs	
Childminders providing holiday care	

5. In your area, how many **maintained holiday clubs** are **usually open in each of the school holidays** and inset days?

Important guidance on completing question 5:

- Each maintained holiday club can be counted once for each of the school holiday periods in which they are open.
- This means that answers to this question ***do not*** need to sum to the total number of maintained holiday clubs in your area (your answer in question 3) as one club may be counted more than once.
- However, the figure for any one maintained holiday club and holiday period should not exceed the total number of maintained holiday clubs in your local authority (your answers in question 3).

	Summer holiday	Easter holiday	Christmas holiday	Half terms	INSET days
